INTRODUCTION

“**G. K. INFRATECH**” (Formerly **M/s. Gautam Kumar**) is multi-dimensional construction company based in Kolkata, (West Bengal) India. G K Infratech (GKI) was established in the year 1999, engaged primarily in the development of all kinds of Road Construction (Flexible and Rigid Pavements). Since then GKI has expanded their operations into a company that demonstrates its ability to undertake diverse projects including civil construction, Rainwater Harvesting, Plumbing works, Fabrication, Tiling and Paving work , External Development and Providing Heavy Equipment for the public and private sectors on a PAN India basis.

At GKI, we pledge to meet the needs of our clients with the highest standards in service, quality, safety and integrity. We ensure environmental protection and safety in the execution of all of our projects. We strive to provide a work environment for our employees that is safe, positive and team focused.

Our team of experts and professional engineers are gaining experience from past many years in the field of civil engineering. Further our team is managed and guided by our expert mentor Mr. B C Jagwani who has an experience of more than 45+ years in this field and has achieved excellent exposure in civil engineering services by providing complete client satisfaction. We use latest high performance machinery & equipment in the execution of all our projects. We provide services in various parts of the country and make a permanent relationship with our esteemed clients.
